Title: Fine Arts Heating Controls Upgrade

Location: Fine Arts Building

Description: Facilities Management and Houle Electrical Contractors will be installing new control modules on the Fine Arts Building heating system.

These installations may briefly affect building occupants between the hours of 11:00PM and 7:00AM as it will require the shut down of one of the two building boilers at a time.

At 7:00AM, the building heat will resume to normal operation.

Time frame: Wednesday, April 4, 2018, 11:00PM to 7:00AM
