Title: Petch Building – New Breezeway Ceiling and Lighting Installation

Location: Petch Building – Breezeway

Description: Facilities Management and Kinetic Construction will shortly be commencing on the installation of a new ceiling and enhanced lighting to the Petch breezeway. The work is scheduled to commence on April 16, and be complete on August 2, 2018.

During construction every effort will be taken to maintain at least partial access through the Petch breezeway, however some activities will necessitate a full closure of the breezeway. The first full closure of the Petch breezeway will be from April 16 – April 27.

During the closures, signage will direct pedestrians and cyclists away from the work toward the entrances in the center of Petch Building.

For the full duration of work, Petch breezeway cycle racks will be relocated to temporary locations around the PCH building.

Time frame: Monday, April 16th to Friday, August 2nd, 2018

Monday, April 16th to Friday, April 27th: Petch Breezeway Closed
