Title: District Energy Plant – Electrical Feed

Location: Medical Sciences Building and Parking Lot E

Description: UVic Facilities Management and Farmer Construction/Houle Electrical contractors will be pulling wires to feed the new District Energy Plant in Parking Lot 6.

The work will include setting the wire pulling equipment near the west end of MSB and the coils near the east end of Parking Lot E. Followed by moving the pulling equipment to the south east of Parking Lot E. The work will take place over a one week period and will not impact access to buildings.

Time frame: Starting Tuesday, April 24, through Tuesday, May 1, 2018 8:00 am to 5:00 pm
