Facilities Notice

Title: Cornett Building – Roofing Work

Location: Cornett Building

Description: Facilities Management has awarded the work of roofing a portion of the lower roof on the west side (facing Sedgewick Building) to Universal Sheet Metal Ltd. Please note the following as presently advised by the Contractor:

1. The existing roofing removal work including the gravel ballast, shall commence in early August 2018.
2. The Contractor shall drape a tarp over the exterior of the building for that period, in order to prevent dust from entering through the windows. This shall impact visibility and daylighting through these windows for the period of the roofing work, which is expected to take from 1 – 2 weeks. The overall roofing work shall be completed by end August 2018.
3. For a period of approx. 1 week, there shall be limited access down the ramp which leads to:
   Psychology Research Labs
   Room A071, A072, A081

Access will be available to pedestrian traffic, however vehicle traffic may be restricted for this period.

Time frame: August 2018
