Title: Graduate Student Centre – Roofing Material Delivery – HIAB on Site

Location: North East Bus Loop near Graduate Student Centre (GSC) (see attached sketch)

Description: Facilities Management are working with Parker Johnston Industries Ltd. to re-roof the Graduate Student Centre. A HIAB will be used with a long boom from the north east bus loop area to the GSC to load roofing materials for approximately 1-1/2 hours.

A safety zone will be in place and access to this area will be restricted while materials are being unloaded.

There may be increased noise levels during this work. Please respect directions of safety officers during this activity.

Time frame: Thursday, August 23, 2018 from 8:30am – 10:00am
