Title: Elliot Building - Chemistry Lab ELL255 – Balancing of Exhaust/Supply

Location: Elliot Room 255 and adjacent corridor

Description: Facilities Management along with Perma Construction and their sub-trade will be finalizing the balancing of mechanical exhaust/supply system in ELL 255 and possibly adjacent corridor.

This should be relatively quiet, non-disruptive work.

Time frame: Thursday, September 20, 2018 – 8:30am to 10:30am (approx. 2 hours)
