**Title:**  
Elliott Building – Chemistry Lab ELL255  
Balancing of Exhaust/Supply

**Location:**  
Elliott Building – Room 255 and Adjacent Corridor

**Description:**  
Facilities Management along with Perma Construction and their sub-trade will be finalizing the balancing of mechanical exhaust/supply system in ELL 255 and possibly the adjacent corridor.

This should be relatively quiet, non-disruptive work.

**Time frame:**  
Tuesday, September 25, 2018  
8:30 am to 10:30 am (approx. 2 hours)
