<tr>
<td><strong>Description:</strong></td>
<td>Facilities Management and Perma Construction will be receiving fifteen (15) fume hoods, arriving on a 53’ trailer, which may impede traffic in the fire lane. The fume hoods will be delivered to the loading dock then routed to ELL 255. A safety zone will be in place and access to this area will be restricted while materials are being unloaded. Please respect directions of safety officers during this activity. There may be increased noise levels during this work.</td>
