Saunders Building
PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: Petch Building – Lab Equipment Relocation

Location: PCH 053 to PCH 270

Description: Interior Modifications will be assisting BCMB with a lab move from Petch 053 to Petch 270. This will require some removal and reconfiguring of existing lab equipment.

Building users are asked to please allow the movers priority use of the elevators.

There will be some minor noise associated with relocation of equipment. The majority of movement will occur around 9:00 am and is expected to be complete within a few hours.

Time frame: Wednesday, December 12, 2018, 9:00 am – 12:00 pm

FMGT contact: Dawn Lang, Coordinator, Interior Modification Services
