Title: Underground Electrical Conduit Replacement

Location: Campus Parking Lot 4 as shown on attached plan.

Description: Facilities Management will be working with Raylec Power to replace failed underground electrical conduit in Parking Lot 4. The work will include the replacement of one of the light pole bases.

The location of the work is shown on the attached map. Only the work area shown will be closed to parking. There will be signage in place to warn of the partial closure of the parking lot.

Time frame: August 6\textsuperscript{th} to 16\textsuperscript{th}, 2019
