Title: Engineering Lab Wing – Materials Testing

Location: Engineering Lab Wing (ELW) – B133, Corridor, Washroom B136

Description: Facilities Management has retained Island EHS to perform a building materials assessment in ELW Building. Where materials sampling is required, workers will be wearing protective clothing and respiratory protection while collecting the samples in accordance with Work Safe BC safe work practices. Dust control techniques will be utilized to ensure there is no risk of materials being tested becoming airborne and dispersing.

Time frame: Wednesday May 1st, 2019 from 7:30 am to 8:30 am
