Title: Student Housing and Dining: Site Preparation Work – Construction Zone Fencing

Location: See Attached Plan

Description: In the week commencing Monday, April 29, Facilities Management and the Construction Managers, Ellis Don Kinetic, will install site fencing around the construction zone, enabling site preparation work for the Student Housing and Dining project to commence. The effected area is shown on the attached plan.

Wayfinding signage will be in place around the site as some pedestrian and vehicular access routes in the area will be altered. Emergency access routes will be maintained throughout construction.

The construction zone will be in place from April 29 to August 2019, and further notices will follow as the phasing of activities necessitates changes to the site, and access routes around the site.

Please refer to the attached map showing the site of the construction zone.

Time frame: April 29 – May 3, 2019 – 8:00am to 4:00pm
