Facilities Notice

Title: Medical Sciences Building – Heat and Hot Water Shutdown

Location: Medical Sciences Building

Description: Facilities Management and Mac’s Heating will be isolating district energy which supplies building heat and hot water throughout the facility. This work will improve efficiency and reliability to the Campus Wide District Heating System.

We apologize for the inconvenience.

Time frame: Friday, August 9, 2019 - 4:00 pm through Monday, August 26, 2019
