

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: Petch Building – Level 2 Corridor Floor Cleaning/Polishing - UPDATE

Location: Petch Building (PCH)

Description: Facilities Management and Kinetic Contractors will be performing final floor stripping, cleaning and polishing of Level 2 Petch Corridor. During this activity all equipment, furniture etc. must be removed from the corridor to allow the contractor to work unfettered. Public access through the corridor will be limited throughout the process.

Thank you for your cooperation, we apologize for the inconvenience.

If you have any questions or concerns about this service interruption please feel free to contact me directly.

Time frame: Friday September 20th, and Saturday September 21st, 2019
6:00PM through 2:00AM
