Title: MacLaurin D-Wing - Education Student Association Lounge – Furniture Delivery

Location: MacLaurin Building D Wing Level 1 Lobby Area and North Stair (S5)
          See attached sketch.

Description: Facilities Management and BC Moving will be moving furniture from a storage room at the Mezzanine in D201 Learning Centre into the Education Student Association Lounge located in the lower portion of Mac D Wing Level 1 Lobby.

            Movers will move furniture via the North Stair (S5) instead of Central Stair (S4) to avoid pedestrian traffic and limit noise at the Lobby area. However some minor traffic and noise may be expected in the Mezzanine and Lobby area, and users of Classrooms D101 and D103, and adjacent Science Venture administration rooms are encouraged to close their classroom doors during the move.

Time frame: Thursday, January 23, 2020 – 10:30 am - 1:00 pm
