Title: Building Condition Assessment
19-04328 2019 VFA Building Condition Assessment Update

Locations:
Hickman Building
Fine Arts Building
Stadium
Student Union Building
Visual Arts Building
Campus Services
Human and Social Development
David Strong Building

Description: This scope of work is a high level condition assessment of the buildings noted above. It is part of a building inventory process undertaken by the Ministry of Advanced Education Skills and Training every 5 years.

Facilities Management and Accruent contractors will be conducting a visual inspection of most spaces within the building. Temporary access to spaces may be required.

Time frame: Inspectors may be visiting the spaces noted above on:
Monday, February 3, 2020
Tuesday, February 4, 2020
Wednesday, February 5, 2020
