Title: Building Condition Assessment
19-04328 2019 VFA Building Condition Assessment Update

Locations:
- Saunders Annex Building
- University Club
- University House 1
- University House 2
- University House 3
- University House 4
- University House Garage
- First Peoples House
- Cornett Building
- Michael Williams Building

Description: This scope of work is a high level condition assessment of the buildings noted above. It is part of a building inventory process undertaken by the Ministry of Advanced Education Skills and Training every 5 years.

Facilities Management and Accruent contractors will be conducting a visual inspection of most spaces within the building. Temporary access to spaces may be required.

Time frame: Inspectors may be visiting the spaces noted above on:
- Wednesday, February 5, 2020
- Thursday, February 6, 2020
- Friday, February 7, 2020
