## Title:
MacLaurin A-Wing Roofing Replacement

## Location:
MAC A-Wing

## Description:
Facilities Management will be working with North West Environmental Group to conduct a hazardous materials assessment and sampling in MAC A-Wing. Areas of work will include 5th Floor Lobby by elevator, A541, A543 and the 5th Floor landing of Stairwell 3. Signage will be posted around work areas.

Work is scheduled on Monday, February 10, 2020 from approximately 4:30 pm – 8:30 pm.

Dust will be controlled at the source. Workers will be wearing white disposable suits and masks as is standard for the described work. There is no risk of exposure to the general public outside of work areas.

We apologize for any inconvenience this may cause.

## Time frame:
February 10, 2020 from 4:30 pm – 8:30 pm
