**Title:** Student Housing and Dining: Soil Resistivity Testing

**Location:** Landscape South of Student Union Building (SUB)

**Description:** Commencing at 8am on Friday, February 14, 2020 Facilities Management and EDK will be commencing soil resistivity testing work required for the Student Housing and Dining project.

Barriers will be in place to prevent access during the testing. The testing is limited to the landscaped areas south of the SUB and west of Cadboro Commons.

No services will be shutdown during the testing.

Please refer to the attached map for information.

**Time frame:** February 14, 2020 from 8:00 am to 2:00 pm
