Title: Student Housing and Dining: Site Boundary Change

Pedestrian Access Closure between Cadboro Commons and Carroll Hall

Location: Student Housing and Dining Site (Map Attached)

Description: Commencing Tuesday February 18, 2020 Facilities Management and Ellis Don – Kinetic will be progressing underground utility upgrades for the Student Housing and Dining project, and trenching around the south and west sides of Cadboro Commons.

Site hoarding will be erected around the work which will necessitate the closure of the pedestrian access between Cadboro Commons and Carroll Hall.

Wayfinding signage will be provided to redirect pedestrians to and from campus. Emergency exits from the SW corner of Cadboro Commons, and the east exit to Carroll Hall will be maintained.

The work is expected to be complete, and access restored by Friday, March 13, 2020.

Please see attached map for location details.

Time frame: Tuesday, February 18, 2020 to Friday, March 13, 2020
