Title: Campus Fire Alarm Monitoring Upgrades – PHASE 2
Phoenix Building

Location: PNX Rooms 004 & 006

Description: Facilities Management and Canem Systems will be commencing Campus Wide Fire Alarm Monitoring Upgrades on January 2, 2020 and finishing on March 31, 2021.

Some of this work as it relates to PNX will occur between **February 24-25** and includes the following:

- Conduit installation
- There will be a small amount of intermittent drilling
- Most work to occur in Electrical (Room 004) and Communications (Room 006)

There may be increased noise levels during this work but should be minimal as all work will be in the basement. We apologize for any inconvenience this may cause.

Time frame: February 24-25, 2020
