Title: UH2 and UH4 Fire Alarm System Assessment

Location: University House 2, University House Garage and University House 4

Description: Facilities Management is working with North West Environmental Group to conduct a hazardous materials assessment and sampling in University House 2, University House Garage and University House 4. Areas of work will include all interior spaces of each building and possibly some exterior locations. Signage will be posted around work areas.

Work is scheduled the evening of Monday, February 24, 2020 as follows:
- University House 2 and University House Garage from approximately 5:00 – 7:30 pm, and
- University House 4 from approximately 8:00 – 10:30 pm.

Dust will be controlled at the source. Workers will be wearing white disposable suits and masks as is standard for the described work. There is no risk of exposure to the general public outside of work areas.

We apologize for any inconvenience this may cause.

Time frame: Monday, February 24, 2020 from 5:00 pm – 10:30 pm
