
This work as it relates to FRA will occur on **February 27 between 10PM and 3AM** which includes the following:

- Hazardous Material testing wall
- Drilling of hole in wall to allow conduit installation

There may be increased noise levels during this work. However it is understood UVic Faculty and Staff will not be occupying the space due to it being after hours. Please contact Jason Minard if space will be occupied.

**Time frame:** Thursday, February 27, 2020 – 10:00 pm to 3:00 am

**FMGT contact:** Jason Minard, Project Manager

**Email address:** jminard@uvic.ca

**Phone:** 250-721-7597
