

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: Campus Fire Alarm Monitoring Upgrades – **PHASE 2**
Campus Security Building - SEC

Location: **Rooms 101B, 108, 111, 120B, 120C**

Description: Facilities Management and Canem Systems continues the Campus Wide Fire Alarm Monitoring Upgrades to be completed on March 31, 2021.

SEC – Tuesday May 19 to Thursday May 28, 2020

- Majority of work to occur in rooms listed above
- Verification of devices will occur throughout the building
- Verification of devices will be silent
- Verification of alarm bells will occur between 6AM – 8AM and bells will sound briefly
- Annunciator Panel will be upgraded
- 3rd party Fire Watch Procedures and Personnel will NOT be part of this work at SEC as the building is manned 24 Hours a day by CSEC personnel. It is understood CSEC personnel will walk through the building once an hour to complete a fire check.

Time frame: Tuesday, May 19 – Thursday May 28, 2020
