

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: Student Housing and Dining - Water Line Replacement Parking Lot C

Location: Parking Lot C

Description: The utility work at Parking Lot C has exposed an existing section of water line which, due to the sub-grade soil conditions, needs to be replaced before work can proceed.

On Monday, June 15, Facilities Management will back feed the water supply to Campus Security Building (SEC) and the Halpern Centre for Graduate Students (GSC). Contractors will then work to replace the water line, before backfilling the trench.

Some temporary discoloration in water may be experienced during the cut-over, and the regular water supply is expected to be reconnected on Tuesday, June 16.

Time frame: Monday, June 16 and Tuesday, June 17, 2020
