

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title:	Student Housing and Dining: Vital Power Shutdown
Location:	Lansdowne Residence
Description:	Facilities Management and EDK will be changing out the transformer in Lansdowne Residence. They will be shutting down the vital (emergency) power circuits only for most of the day, but fire alarm system and emergency lighting will remain operational on battery backup power. Regular building power will be maintained for all operations. Fire Watch will not be required as fire alarm will be on backup power and EDK will be monitoring and on site.
Time frame:	Friday, July 3, 2020 – 7:30 am to 3:30 pm
