**Title:** Student Housing and Dining – Modular Dining Facility Power Shutdown

**Location:** Modular Dining Facility (MDF)

**Description:** As part of the Student Housing and Dining project a new transformer and electrical sub-station is being provided for the Modular Dining Facility.

The sub-station is located north-west of the MDF and FMGT and contractors will be working in this location completing preparatory work, ahead of the electrical shut-down which is planned to take place on Saturday, August 22, 2020.

A diesel generator will be in place to maintain power to fridges and freezers.

Access to the MDF during shutdowns is restricted as Fire Alarm and emergency lighting systems will be off-line from time to time.

**Time frame:** MDF – Saturday August 22, 2020 – 6:00 am – 10:00 pm  
(Reserve Day – Sunday August 23, 2020 – 6:00 am – 10:00 pm)
