Facilities Notice

FACILITIES MANAGEMENT
Saunders Building
PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: Oak Bay Sewage Pump Station Upgrade – Sewage Pump Station Bypass

Location: Parking Lot 10 (North end), grass area North of Parking Lot 10, grass area East of Parking Lot 10 and Parking Lot 5 (Southeast Corner). Key Plan attached.

Description: Facilities Management and IWC Excavation will be completing mechanical upgrades to the sewage pump station during which flow to the station will be diverted using vacuum trucks as noted on the attached key plan. Parking Lot 10 pathway to West Campus Way will be temporarily closed.

All work areas will be cordoned off.

Time frame: Monday, September 14, 2020, 7:00 am – 7:00 pm
