Title: Student Housing and Dining – District Energy System (DES) Connections
– Industrial Radiography (X-Rays)

Location: Student Housing and Dining Construction Site

Description: As part of the Student Housing and Dining project FMGT and EDK need to perform radiographic scans of welds on the University's DES to be able to connect Building 2 to the campus-wide system.

The industrial x-raying process is an important quality control measure for the project, providing assurances that work has been completed to applicable standards.

Approval has been granted from the University for the industrial x-raying to take place on Saturday, June 12.

No impacts are expected beyond the construction site boundaries.

Time frame: Saturday, June 12, 2021 – 8:00 am to 4:00 pm
