- Title:** 19-03976 JCC Comfort Solution Project
Power Panel Shutdown – New Equipment Breaker Installations
- Locations:** Jamie Cassels Centre B-Wing
- Description:** Facilities Management, Century Group Constructors and MacDonald Electric will be conducting a power panel shutdown to install the new equipment breakers. The power shutdown will be for one hour approximately and will mainly affect first floor west areas.
The fire alarm system will remain operational during this short shutdown.
FMGT recommends powering down equipment and computers at the end of the work day as a pre-caution to prevent damage to equipment.
