

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title:	Elliott – Level 2 – Chemistry Lab Renovation – Flooring Installation
Location:	Elliott – Level 2 –Room 245
Description:	<p>Facilities Management is working with Kingsview Construction Ltd. to undertake renovations to convert an existing teaching laboratory to a chemistry research lab. Epoxy resin flooring installation has been scheduled as part of the renovation.</p> <p>Floor grinding is part of the preparation for the installation and may cause noise and vibration in the building. Odour mitigation controls will be in place.</p> <p>We apologize for any inconvenience this work may cause.</p>
Time frame:	Thursday, December 9, 2021 through Friday, December 17, 2021 Daytime hours
