

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title:	21-04917 Fall Protection Program New Roof Ladder and Platform Installations
Locations:	Bev Glover Greenhouse, Elliot Lecture, Campus Services Building Exteriors
Description:	Facilities Management will be working with Cascadia West Contracting and their sub trades to install exterior ladders to the rooftops, fall protection improvements and related safety guards. The work will involve builders work, new concrete bases and related steel installations. The work may be distracting from time to time during the execution of the contract. Please obey all safety signage and demarcation barriers.
Time frame:	Monday, March 7, 2022 to March 25, 2022 approximately
