

## FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

---

**Title:** 21-05095 – F1 Field Replacement – Mobilizing Equipment to Site

**Location:** F1 Field Hockey Field, along Gabriola Road and access road north of the Continuing Studies Building

**Description:** Facilities Management and our General Contractor, Astroturf, will be working together to replace the Field Hockey Field turf.

As you may have noticed, work has already begun to replace the existing field hockey turf on the F1 Field, located between the Continuing Studies Building and CARSA.

During construction, you will see trucks and equipment moving back and forth from the site. The Contractors will attempt to minimize any disruption to surrounding activities. Please respect directions of safety officers at any time you see equipment moving to and from the site, and use an alternate travel route when possible.

It is not expected that there will be prolonged closures of any roads at this time for this project. If there are, additional notices will be send out.

We apologize for any inconvenience this may cause.

**Time frame:** On-going until the end of September, 2022
