Title: Fraser (FRA) – Duct Bank and Tree Removal

Location: Fraser – McGill Road / Ring Road

Description: Facilities Management is working with Chandos Construction Management to install a new services duct bank under the sidewalk along McGill Road near Ring Road.

The project will require the removal of several trees which will be replaced as part of the National Centre for Indigenous Laws project.

The sidewalk will be closed for the duration of the work and some impact to the travel lanes on McGill are expected.

Traffic control personnel will be in place for the duration, please exercise caution and obey their directions.

Please see the attached map for detailed location and closures.

Time frame: Wednesday, October 26 to Tuesday, November 1, 2022

7:00am to 4:00pm (approximately)
