| Title: | Tactile Marking Plates around Ring Road on designated pedestrian crossings |
| Location: | Various locations around Ring Road |
| Description: | Facilities Management (FMGT) is working with Aral Construction and Five Star Paving to install tactile marker plates in several locations around Ring Road. This work includes saw cutting and removing concrete, installing new concrete with poured in place tactile marking plates. There may be brief closure of one lane in various locations around Ring Road while this work is being done. Sorry for the inconvenience, and thank you for your patience. |
