

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: Engineering Lab Wing (ELW) Boiler Room Renovation – ***One Day complete compressed air shutdown***

Location impacted: Engineering Lab Wing (ELW)

Description: Facilities Management and Aral Construction are currently working on the renovation of the boiler room on the north side of the ELW building.

You will have already received several partial disruption notices for this work. To complete this work and the connections to the new compressed air system, *ELW will also experience a one-day, complete compressed air shutdown. This shutdown will affect the Engineering Lab Wing only.* It is associated with the second round of air compressor work for which you will have already received notification.

Time frame: Wednesday, May 3, 2023 - 7:00 am – 3:30 pm
