Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: National Centre for Indigenous Laws (NCIL) – Increased Noise

Location: Fraser Building

Description: Facilities Management is working with Chandos Construction on the new National Centre for Indigenous Laws (NCIL) at the Fraser Building.

Please be advised that Level 1 and 2 administrative offices may experience periods of increased construction noise during the week of January 8 – 12, due to steel connections being bolted together.

Noisy periods for this work will vary throughout the week as workers move between steel areas.

We appreciate your patience.

Time frame: Monday, January 8 through Friday, January 12, 2024
