

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: F06014 Quadrangle Survivor Flagpole Installation

Location: University Quadrangle

Description: Facilities Management working with RJC Structural Engineering and Aral Construction will be installing new concrete, exterior signage and a flagpole at the University Quadrangle. The work area will be fenced for safety during the site excavation, concrete placing and flagpole installation. The scope will involve heavy equipment activity and maybe distractive to adjacent areas during a few weeks of the project. Sorry for any inconvenience this project may cause as the builders complete the contract. Please use caution and obey all safety signage.

Time frame: January 29, 2024 to March 29, 2024 approximately
