

## FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

---

**Title:** CARSA Performance Gym Refinishing

**Location:** CARSA Performance Gym

**Description:** Facilities Management is working with Titan Sport Systems to refinish the performance gym in CARSA. Due to the strong odor of the product being used on the floor, the building may need to be closed for a period of time when this is being applied and while it dries. CARSA staff will be letting building occupants and patrons know of any closures if required.

This is an important project to UVic for the proper maintenance of our performance gym and apologize if this causes inconvenience to anyone.

**Time frame:** April 1 to April 5, 2024
