

## FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

---

**Title:** Rogers Cellular Installations

**Location:** MacLaurin A Wing

**Description:** Facilities Management will be working with Roger's and their contractors to install cellular antennas on the roof of the MacLaurin Building A Wing. The installation will also involve some electrical work in the buildings.

Tomorrow morning, between 6:30 am and 7:30 am, the Roger's Environmental Consultant will be collecting material samples from the A Wing electrical closets and the lobby area on the fifth floor tomorrow at 6:30 am to 7:30 am.

**Time frame:** October 29, 2024, from 6:30am to 7:30 am.
