Title:	MacLaurin D-Wing – ACET – Heat Shutdown
Location:	MacLaurin D-Wing Level 2
Description:	<p>As part of the renovation in the MacLaurin D-Wing D201/D302, Facilities Management, in coordination with Century Group Inc., will be shutting down heat to isolate a heating convector slated for removal in the project space.</p> <p>This shutdown is anticipated to impact the heat in rooms 282, 283, 287, and 288 over the Reading Break. It may take some time for the temperature in these rooms to return to normal. Please dress for cooler room temperatures if using these spaces during the day and evening of November 12.</p> <p>FMGT apologizes for the inconvenience this may cause.</p>
Time frame:	Tuesday, November 12, 2024 from approximately 7:00am to 4:00pm
