Title: Engineering Expansion Project - Speed bump installation Ring Road

Location: Ring Road in front of Engineering Expansion Project Site

Description: In support of the Engineering Expansion Project, Bird Construction and FMGT Project Management Services will be installing additional speed bumps on Ring Road in front of the Engineering Expansion project site, to slow vehicle traffic through this active construction zone. Traffic will be stopped intermittently between 6:30 and 7:00 am while this installation takes place.

Time frame: Thursday, November 14, 2024 from 6:30am to 7:00am

FMGT contact: Orianne Johnson, Project Manager
Adam Gerber, Project Manager
