

## FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

---

**Title:** Engineering Expansion Project  
Concrete Coring ELW 001 / Level 1 Breezeway ECS-ELW

**Location:** Level 1 ECS / ELW Breezeway and ELW 001

**Description:** In support of the Engineering Expansion Project, Bird Construction and FMGT Project Management Services will be drilling a few small holes at the top of the concrete wall between ELW 001 and ECS/ELW Level 1 breezeway.

There will be a scissor lift located in the Level 1 breezeway between ECS and ELW to support this work. The Level 1 breezeway will remain open while this work is underway. Please follow instructions of any safety personnel and signage. Please stay outside of areas restricted by caution tape.

**Time frame:** Friday, November 22, 2024, 7:30am – 9:30am
