

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title:	R-22 Refrigerant Removal Program – Investigation & Study
Location:	Engineering Lab Wing, CARSA, Health and Wellness Building, Petch, Library, Clearihue
Description:	<p>Facilities Management in coordination with AME Consulting Group will be inspecting mechanical spaces (inside and outside) of buildings on campus as part of an inventory, investigation, and assessment of mechanical refrigeration on campus. Staff from AME Consulting will be taking photos and recording information regarding the buildings' mechanical systems. This work should not impact the building occupants.</p> <p>Please note: there are a number of spaces inside HWB and CARSA that need to be revisited on December 18th. These include data rooms in CARSA and above the ceiling in hallways and additional rooms in HWB.</p> <p>HWB Rooms:</p> <ul style="list-style-type: none">• 216• 217• 220• 222
