<b>Title:</b>	Engineering Lab Wing Design Studio – Gas Shutdown
<b>Location impacted:</b>	Engineering Lab Wing
<b>Description:</b>	<p>Facilities Management and Aral Construction are currently working on the creation of new design studio lab space in the former boiler room in ELW.</p> <p>In support of this work, SML Mechanical will need to shut off the building's natural gas from January 2, 8:00am to January 6, 8:00am.</p> <p>The shutdown will result in a temporary loss of natural gas at all lab benches and a potential reduction in building hot water.</p>
<b>Time frame:</b>	Thursday, January 2, 2025, 8:00am to Monday, January 6, 2025, 8:00am
