

FACILITIES MANAGEMENT

Saunders Building

PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: MacLaurin D-Wing – ACET – Electrical Panel Shut Down

Location: MacLaurin D-Wing Level 2

Description: Facilities Management, in coordination with Century Group Inc., will be replacing an existing electrical panel in MAC D Level 2 in support of the ACET HQ renovation project.

Power to MAC D Level 2 Classrooms will be impacted for the duration of the work and will be closed for safety and security.

No disruptions are anticipated beyond the weekend. FMGT apologizes for the inconvenience this may cause and appreciates your understanding as we complete this essential work.

Time frame: Saturday, January 18 thru Sunday, January 19, 2025
