Title: Fraser Building – Interior Work During Reading Break

Location: Fraser Building

Description: As part of the ongoing construction work, Chandos Construction will be completing the following interior construction tasks during Reading Week:

1. Finalize scope in FRA 204
2. Level 1 & 2 ceiling wiring
3. Mechanical Air Balancing

Workers will require access to office spaces and corridors throughout Level 1 and Level 2. Trades will be working off ladders and sequencing through all areas. There should be minimal noise impact; however, trade access requirements may cause interruptions.

Time frame: Tuesday, February 18 through Friday, February 21, 2025
