**Title:** MacLaurin D-Wing – **ACET HQ – Fire Alarm Verification**

**Location:** MacLaurin D-Wing Level 2 Suite D201, D302 (former Learning Commons)

**Description:** Facilities Management, in coordination with Century Group Inc. and Mircom, will complete fire alarm verification and testing in the newly renovation ACET Research HQ.

Fire alarm bells will sound briefly and intermittently between 8:30am – 10:30am.

Intermittent noise disruptions are anticipated within the project area and in adjacent spaces. FMGT apologizes for the inconvenience this may cause and appreciates your understanding as we complete life safety system commissioning.

**Time frame:** Wednesday, February 19, 2025 from 8:30am to 10:30am
