PO Box 1700 STN CSC Victoria BC V8W 2Y2 Canada

Title: Fraser Building – Overnight Power Shutdown

Location: Fraser Building

Description: To support the ongoing NCIL project, Chandos Construction and Houle Electric need to complete an overnight power shutdown on March 13, 2025.

This work is planned to begin at 10:30pm and the shutdown is expected to last for up to 5 hours.

Please ensure all building occupants vacate the building prior to 10:30pm on Thursday, March 13.

Time frame: Thursday, March 13, 2025, 10:30pm through Friday, March 14, 2025, 4:00am
