Title: Campus-wide accessibility audit

Location: Health and Wellness Building

Description: The Accessibility Surveyors from the Facilities Department are currently conducting a campus-wide accessibility audit of all facilities across the campus. Each audit consists of taking measurements and photo documentation of all aspects of the building including offices, individual workstations, meeting rooms, washrooms etc.

Currently, **Health and Wellness Building** is being audited for physical barriers. Thank you in advance for your patience in accommodating this auditing process.

Time frame: Thursday, April 24 – Thursday, May 8
